Yellow Jacket 1953

Dedication

We, the senior class of 1952, lovingly dedicate the YELLOW JACKET to you, the Student Body. You are the ones for whom the school was founded and for whom it exists today.

You create the joy, the sadness, the excitement, the boredom, the industry, the recreation, and the spirit of our beloved McAdory.

The community is affected in many ways by your influence, whether it be good or evil.

Student Body, we realize that we faced many problems in our school days, but these problems were only steppingstones in the road of life, and they were preparing us for the problems which we shall face as adults.

It is our earnest desire that you prepare yourselves to attain the best in life by accepting responsibility and by taking advantage of the opportunities which are now yours. For these reasons we with all sincerity dedicate to you this issue of the YELLOW JACKET.
